DATE OF MEETING: May 8, 2006

PLACE OF MEETING: Treasury Bond Finance Board Room
1st Floor Richard H. Austin State Office Building
Lansing, MI

TIME OF MEETING: 9:00 A.M.

The agenda for the meeting is attached to and made a part of these minutes. The item numbers referred to in the minutes correspond to the agenda items as numbered.

ACTIONS BY THE STATE TAX COMMISSION

Item 1. Scheduled for 9:00 A.M.

It was moved by Roberts, supported by Morgan, and unanimously approved that the valuations enumerated by Mr. Anderson and recommended by the Assessment and Certification Division be received and approved as the 2006 Preliminary Equalized Valuations for each separately equalized classification of property in each of the 83 Michigan counties. It was further moved that the report of preliminary equalized values be reproduced and transmitted to each county as required by law.

Item 2. It was moved by Naftaly, supported by Roberts, and unanimously approved to adopt the minutes of April 10, 2005 as presented.

- Item 3. It was moved by Morgan, supported by Roberts, and unanimously approved to direct the new assessor to properly class, cap, and correct the record cards for the parcels noted in the taxpayer complaint regarding a clerical error or a mutual mistake of fact relative to the correct assessment figure for property located in Ferry Township, Oceana County. The assessor is directed to report to the STC on the quality of the Township's record cards and submit a plan to update the record cards. Also, the Executive Secretary is to forward to the State Assessor's Board information regarding the former assessor. The Assessment and Certification field staff completed a review and a report was received by the Commission at the October 3, 2005 Meeting. Additional information was received and was forwarded to field staff for further review and to prepare a second report. Ferry Township, Oceana County, Complaint 05-020.
- Item 4. It was moved by Roberts, supported by Morgan, and unanimously approved to adopt the proposed STC Official Order to assume jurisdiction of the 2006 assessment roll for Columbia Township, Jackson County, and directs the Township to work with the Assessment and Certification Division staff to develop the correct values. The Commission also directed the Assessment and Certification Division staff to conduct a 14-Point Review for Columbia Township, Jackson County.
- Item 5. It was moved by Morgan, supported by Roberts, and unanimously approved to adopt the proposed STC Official Order to certify the 2005 assessment roll for Fairplains Township, Montcalm County. The Township is to be billed for the cost of assumption of jurisdiction of the assessment roll. Also, the Township is directed to report to the STC by July 1, 2006 on their correction of the ECF calculations and land values for agricultural properties. On November 9, 2005, the STC assumed jurisdiction of the 2005 assessment roll of Fairplains Township, Montcalm County, for failure of the assessor to appear for a subpoena. As a result of the 14-Point Review conducted on December 8, 2005, the Township's score was substantially non-compliant. Officials from the Township appeared at the March 22, 2006 STC Meeting to discuss the 14-Point Review for the Township. The Assessment and Certification field staff completed a follow-up review including a review of information presented at the meeting. The review indicated that the Township has corrected most of the major concerns and as a result the follow-up 14-Point Review scored 120. Field staff indicated there are still some concerns with the land values related to agricultural properties and with some of the ECF calculations.
- Item 6. It was moved by Morgan, supported by Roberts, and unanimously approved to adopt the proposed STC Official Order to certify the 2005 assessment roll for the assessed and taxable values for the City of Au Gres, Arenac County. Also, the Assessment and Certification Division staff is directed to complete a 14-Point Review in the Fall of 2006. On November 9, 2005, the STC assumed jurisdiction of the 2005 assessment roll of the City of Au Gres, Arenac County, because of taxpayer complaints concerning allegations that the assessor was not properly assessing trailer coaches in licensed campgrounds. The Assessment and

Item 6. (continued):

Item 7. It was moved by Morgan, supported by Roberts, and unanimously approved to adopt the proposed 14-Point Review format. Field staff will discuss the new format and if significant modifications occur, it will be brought back before the Commission. It was moved by Morgan, supported by Roberts, and unanimously approved to order the Burt Township, Alger County, assessor and supervisor to appear at a future STC Meeting to discuss the magnitude of problems in the Township.

City of Detroit, Wayne County

City of Flint, Genesee County

On October 28, 2004 the State Tax Commission took action to revoke the above referenced certificates.

A request for a hearing was filed by US FENCE (who occupied the building and wanted to transfer the certificates).

Item 9. (continued):

The Commission, at their meeting of March 22, 2005, asked for a legal opinion as to the proper party to request a hearing (certificate holder or company requesting transfer).

And also asked the City of Flint to reconsider transferring the certificates to US FENCE, as the company had occupied the building for two years before the request for revocation was filed by the City.

The City of Flint, on November 14, 2005, rescinded their request for revocation by resolution and approved the transfer of the two certificates to US FENCE. The State received this information on March 21, 2006.

Item 10. It was moved by Roberts, supported by Naftaly, and approved to issue the certificates involving **Over 5%** of the SEV of the local government units for the below-referenced Industrial Facility Exemption Certificates. Mr. Morgan recused himself.

Item 26. See page 60.

Item 27. It was moved by Roberts, supported by Morgan, and unanimously approved that the State Tax Commission adopt as the position of the Commission the following memorandum from legal counsel dated August 23, 2000 regarding §154 proceedings:

“You question whether a refund of taxes may be made, in a §154 proceeding, when the property in question has been recently sold. You note that the last sentence of §154(1) notes that ‘[T]axes computed under this section shall not be spread against the property for a period before the last change of ownership of the property.’

In the instant case, a §154 application was filed asserting that property had been overassessed due to the use of an incorrect multiplier table. In the ordinary course, if this is indeed true, the taxpayer may well be entitled to a refund of taxes previously paid for the year of discovery and two years previous. This procedure is set forth in §154(3). However, in this case it appears that the property at issue was sold in July of 1999, thereby possibly bringing the limiting provisions of the last sentence of §154(1) into play.

I do not see where the statutes in question provide for any different treatment for a §154 action which involves an increase in taxes from one that involves a refund of taxes. The last sentence of §154 applies to all actions where a corrected assessment is made of the property involved. These assessment changes are then evaluated to determine whether additional tax or a refund is owed.

In the instant case, if the transfer of the property in question would preclude the imposition of additional taxes prior to the transfer, if additional taxes were found to be due, then there would be no basis for refunding taxes, if a refund were due, prior to the last transfer of the property. There should be no difference between the two situations.”

- Item 28. Discussion regarding the proposed brochures for the STC and MCL 211.154 petitions and for the STC and classification appeals. The Commission took both brochures under advisement.

It was moved by Naftaly, supported by Roberts, and unanimously approved to adjourn the meeting of the State Tax Commission and convene the meeting of the State Board of Assessors.
